RE: Title 1 §1112(e)(1) Parents' Right-to-Know (Teacher Qualification Status)

Dear Parents and/or Guardians:

In accordance with the Every Student Succeeds Act of 2015 (ESSA), you have the right to request information regarding the professional qualifications of your child's teacher. Specifically, you may request the following:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria has been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether the child is provided services by paraprofessionals and if so, their qualifications.

Sanders Middle School currently employs one teacher, Casey Hood, who holds a college degree, but is working under an emergency Physical Education certification. All other teachers are fully certified with no deficiencies

If you would like to receive additional information, or if you have any questions, please contact me at 928-688-4774 and I will be happy to assist you.

Sincerely,

Carmen Moffett, Ed.D
Principal
